Experience. Trust. Education.

WCSC training courses are taught by male and female NRA Certified Instructors who are members of the West Caln Sportsmen's Club and volunteer their instructional time as a service to the community. WCSC has been providing firearms training for more than 30 years.

These training courses are recognized by:

Gordons Sports Supply Inc.
Uwchland, PA | 610-459-5153

"The course was so informative and fun. You helped me gain the knowledge and ability to know what to do in a home defensive situation. And you taught it in such a sensitive and non-stressful way! Thank you!"
- Anita

ATTENTION HANDGUN OWNERS

NRA Pistol Training Courses are Offered by West Caln Sportsmen's Club

Courses include:

NRA Basics of Pistol Shooting
NRA Basic Personal Protection
In the Home
NRA Basics of Personal Protection
Outside The Home
NRA Defensive Pistol

The following NRA pistol training courses are offered at West Caln Sportsmen's Club

Basics of Pistol Shooting

This 8-hour course introduces students to the knowledge, skills, and attitude necessary for owning and using a pistol safely – whether you already own a pistol or are a new, or soon-to-be, owner. Students learn about pistol parts and basic operation, ammunition, firearm safety and pistol shooting fundamentals. If you do not own a firearm this course can provide information that could assist you in a more knowledgeable purchase of a firearm to meet your personal requirements. **This course is the foundation for further NRA pistol courses.**

Cost: \$165 | Prerequisites: None

All photos for reference only and do not represent any specific course, organization, or company.

Basic Personal Protection In The Home

This 8-hour course exposes students to shooting techniques used for in the home defense. No single style of shooting works for every individual or situation. Safety is always paramount in firearm handling and instruction. This course is the second offering of NRA defensive firearm courses.

Cost: \$205 | Prerequisites: successful completion of NRA Basics of Pistol Shooting (course must have been taken at WCSC)

Basics of Personal Protection Outside The Home

This 14-hour, intermediate level shooting course focuses on how to use a firearm for self-defense and requires students to have already mastered safe gun handling and basic marksmanship skills prior to attending. This intensive shooting course instructs students on shooting skills required to respond quickly and safely to a broad range of threats that may be encountered outside the home. Legal ramifications of concealed carry and threat response are also covered.

Cost: \$360 | Prerequisites: successful completion of NRA Basics of Personal Protection in the Home (course must have been taken at WCSC); must possess PA License to Carry Firearm.

All photos for reference only and do not represent any specific course, organization, or company.

Defensive Pistol

This 12-hour advanced level course focuses on the development of the Defensive Mindset. This is the next step for the student to more fully develop knowledge, skills, and attitude to carry and use a concealed firearm responsibly and with confidence. This course utilizes intensive range exercises that require agility, focus, and safe shooting skills as students participate in movement drills. Exercises are timed and scored.

Cost: \$465 | Prerequisites: successful completion of NRA Basics of Personal Protection Outside the Home (course must have been taken at WCSC)
